## **Arcadia Resources to Present at Wall Street Analyst Forum Investor Conference in New York**

INDIANAPOLIS, September 16, 2009 –Arcadia Resources, Inc. (NYSE Amex: KAD), a leading provider of innovative consumer health care services under the Arcadia HealthCare(SM) brand, today announced President and CEO Marvin R. Richardson and CFO Matthew Middendorf will present at the Wall Street Analyst Forum's 20<sup>th</sup> Annual Investor Conference at 9:50 a.m. ET on Tuesday, September 29.

Arcadia will present its story to institutional investors in a 40 minute presentation followed by a breakout session. The conference will be held at The University Club in New York City.

Analysts and institutional investors are invited to register and attend the event by contacting The Wall Street Analyst Forum at [www.analyst-conference.com](http://www.analyst-conference.com). The presentation will be available to individual investors on Arcadia's website at [www.ArcadiaResourcesInc.com](http://www.ArcadiaResourcesInc.com).

### **About Arcadia HealthCare**

Arcadia HealthCare is a service mark of Arcadia Resources, Inc. (NYSE Amex: KAD), and is a leading provider of home care, medical staffing and pharmacy services under its proprietary DailyMed program. The Company, headquartered in Indianapolis, Indiana, has 72 locations in 21 states. Arcadia HealthCare's comprehensive solutions and business strategies support the Company's vision of "Keeping People at Home and Healthier Longer."

DailyMed™ Pharmacy dispenses a monthly cycle of a patient's prescriptions, over-the-counter medications and vitamins, and organizes them into pre-sorted packets clearly marked with the date and time the medications should be taken. In the dispensing process, a DailyMed pharmacist reviews each patient's medication profile and utilizes state-of-the-art medication therapy management tools in order to improve the safety and efficacy of the medications being dispensed. A DailyMed pharmacist provides routine communication with the patient, the primary care physician, caregivers and payers in order to maximize the pharmaceutical care administered. The DailyMed program improves patient care and drug utilization while reducing drug and hospitalization costs for private and government payers.
